

FUN DAY UPDATE

The Club's 11th Annual Fun Day was the most successful EVER!!!

Thanks to everyone's generosity we took nearly £1500 on the day, and after deducting the cost of hiring the field, the cost of refreshments etc, we have sent a cheque for an amazing

£1,170

to Smokey Paws.

So well done to everyone who helped, took part, entered, purchased and generally had anything to do with raising such a fantastic amount for Charity!

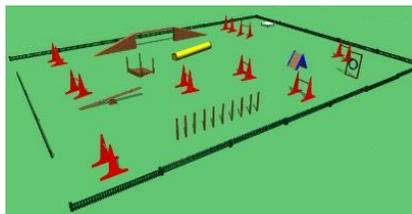

The Mary Stephens Memorial Challenge

We are pleased to announce that we will be holding Round One of this year's Mary Stephens Memorial Challenge on

Saturday 17th August from 2pm.

This is an In-House agility Competition for anyone currently participating in Agility Classes at the Club.

If you have ever wondered what agility is all about, then come along and watch the competition. Agility is for all breeds of dogs, of all ages (and no restrictions on owners either!).

There will be a jumping course and an agility course – both set by our guest judge – Jackie Bulmer.

Points will be awarded for 1st – 10th places
(rosettes for 1st – 5th and for Clear Rounds)

For those entering the competition, it costs £2 per course.

For spectators – it's a free afternoon of entertainment!

KENNEL CLUB GOOD CITIZENS AWARDS

Congratulations to the following who have passed their Awards: -

Puppy July 2019

Reggie
Ruby

Stephen Gould
Em Sukphandee

Bronze July 2019

Billy
Pippy
Blue

Lesley Proost
Toni Teasdale
Jess Barnes & Richard Green

Silver August 2019

Loki
Pippy
Betty
Blue
Rosie

Theo Daines

Thursday 22nd August 8.30pm CATS

September

Thursday 5th September 8.30 Platinum

Thursday 26th September 8.30pm CATS

October

Thursday 10th October 8.30 Platinum

Thursday 24th October 8.30pm Display Team

For Sale

We still have one of the sloped transport crates for sale:

It is approx. 24"H, 30"W, 20"D and is suitable for VW Golf Estate, BMW 5 series or similar car types

They sell for anything upwards of £30 - £40 + on Amazon, so we would like **£15** which will go to Charity.

Club Member Sue Pluthero is selling her Dog Cooling Vest.

It was made to fit her dog Cody:

But Cody is 14 now and much slower than he used to be so doesn't run around as much - and Sue would like another dog to benefit from the cool coat.

As it was made bespoke for Cody, you will need to measure your dog and see if they are similar in size:-

Body length - 54 cm Girth - 62 cm Neck - 40cm

These coats cost upwards of £49 brand new, but Sue would like £20 for Cody's coat and will be donating the money to Charity. If you are interested, please contact Sue on 07753 455997

With Grateful Thanks

Many thanks to those Club Members who turned up this morning (Sunday 11th August) to help clear the Emergency Access route to the Agility Pavilion that our members use when arriving for agility classes. The Access route had become very overgrown with brambles and nettles but thanks to the following, the route is now clear for dogs, owners and even emergency vehicles: -

Suzanne Louis, Karen Crawley, Karen Pontin, Simon Delicata, Nikki & Freya Evans, Laura Oakes, Carol Jamieson, Clare Pitts & Cliff Mott
Thanks for being such great Members!

An advertisement for the ThermLow Dog Cooling Vest. The top part features the brand name 'ThermLow' with a paw print logo and 'Dog Cooling Vest'. Below this, there are three sections of text: 'How do I use my ThermLow cooling vest?', 'How do I care for my ThermLow vest?', and 'How long will my ThermLow vest stay cool?'. Each section includes instructions or information. A small image of a dog wearing the vest is also present. At the bottom, it says 'handcrafted in Scotland by Freckles designs' with a paw print logo.
